

Have you heard about “Night School”?

Ishikawa Prefectural Asunaro JHS (Night School) Recruiting Students!

Admission Qualifications

☆ People who live or work in Ishikawa

- Those who were unable to graduate from elementary school or junior high school for various reasons
- Those who were unable to attend junior high school sufficiently for various reasons
- Foreign nationals who hope to receive compulsory education in Japan

About Asunaro JHS

The subjects you will study are

Japanese, social studies, math, science, English, music, art, P.E., technology, home economics, moral education, special activities, and integrated studies.

In principle, the educational program lasts 3 years.

*If you would like to start from the 2nd or 3rd grade, please let us know at the interview. We will determine your eligibility during the application process.

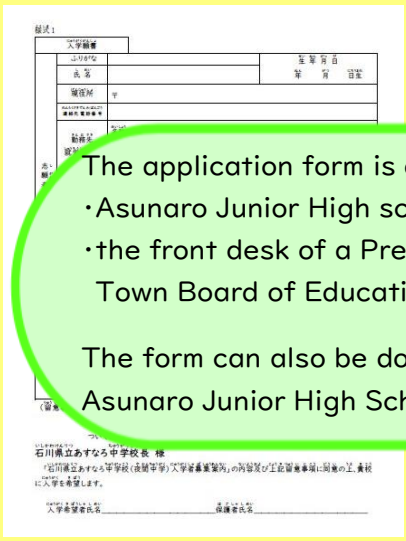

Classes are held in the evenings from Monday to Friday.

No entrance exam is required. Admission is determined based on the application and an interview.
